

## Important Phoenix Trip Information

Our trip is coming up, and we have some important information to share with you! By now, you have all hopefully received a trip account statement in the mail. Thank you, to the many of you who have made payments today to keep your account up to date. If you have not yet made your 1/10/12 payment, please contact Beth Berridge ASAP to make arrangements to do so. Your prompt payments give us the ability to make reservations for our travel and lodging, as well as the many fun activities we have planned for our singers and families!

Good news! As of January 2012, WTCC is able to use PayPal to process trip payments through your credit card. If you'd like to take advantage of this new option, please email Beth Berridge ([BethBerridge@wtccsings.com](mailto:BethBerridge@wtccsings.com)) and let her know; she will send you a PayPal payment request. A small surcharge will be applied to payments processed through PayPal.

Please ensure that you have ordered ALL required uniform pieces from Buckhead's. We will be wearing all the required items (dress and casual) on our trip, and want to help you avoid expedited shipping costs for last minute items. Check the WTCC website ([wtccsings.com](http://wtccsings.com)) for a list of required pieces and ordering information.

Also, NOW IS THE TIME to check the fit of all uniform pieces. Ladies- we noticed at our Christmas performances that many of you have grown several inches since you last had your hems adjusted, and need to either visit a tailor or order new skirts. *All hems need to reach two inches above the top of the knee.*

Below, you will see a list of MANDATORY rehearsals and meetings for those participating in the Phoenix trip. WTCC singers are involved in many different concerts, sessions, and demonstrations during the OAKE conference, and it is imperative that we see them at each of the rehearsals.
