WTCC RETREAT

APPRENTICE AND CONCERT CHOIRS

What a great way to begin the year! Come join us for an exciting weekend full of music, outdoor activities and fellowship! The camp offers zip lining, hiking, outdoor activities, campfires and hayride. They will provide us with meals in the dining hall and housing in their cabins. We will have plenty of time for music making, too! Singers will have sectionals and full rehearsals. We will end the retreat with a mini-concert for parents on Saturday evening at 7:00 PM.

Cost includes lodging, all meals/snacks, and outdoor activities. We would like to offer carpooling to those interested. If you would like to participate in a carpool, please let us know by Tuesday, September 18!
