

“Rave On” video shoot #1

Dear WTCC Families,

We are super excited to announce our first of several video shoots for our “Rave On” project. We’ve been working with Zane Ennis (professional videographer from Primitive) and David and Kristy Dean, (owners of Joyland Park) to quickly and safely shoot a little footage of the kids having fun at the park.

Date: Tuesday, November 3rd

Time: 4:00* - 6:00 p.m.

Location: Joyland Amusement Park

We appreciate your patience as we work through logistics, despite Covid and weather delays. We will be able to provide you with detailed instructions after we meet with the videographer on Friday.

Attire: We’re going for a “50’s inspired” look, rather than a remake of “Grease” or a Halloween costume. If you want to send a little lipstick and blush with your singer, so that we are not sharing, that’s okay, but please let us apply it. **We’ll have some pro help on hand to help with hair, but we will be short on time.** We want the kids to look like KIDS having fun at an amusement park. Please DO NOT purchase expensive costumes. The focus should be on the KIDS and the scenery, not over-the-top outfits. Keep it SIMPLE.

Here are some sample “looks” for inspiration! Bur first, a couple of looks to avoid .

..

DO NOT WEAR:

“Adult” costumes or anything that implies “sexy” in the description

Logo shirts or jackets (unless it is a “Lubbock” vintage item)

Extreme hair 😊 Dress like a 50s KID, not a rocker dude

Excessive head to toe satin or sparkle (Dress for a day at an amusement park, not a sock hop or prom).

GREASE

"Bad Sandy" from Grease ... or who even ARE these kids supposed to be??

NO "GREASE" REFERENCES, PLEASE!

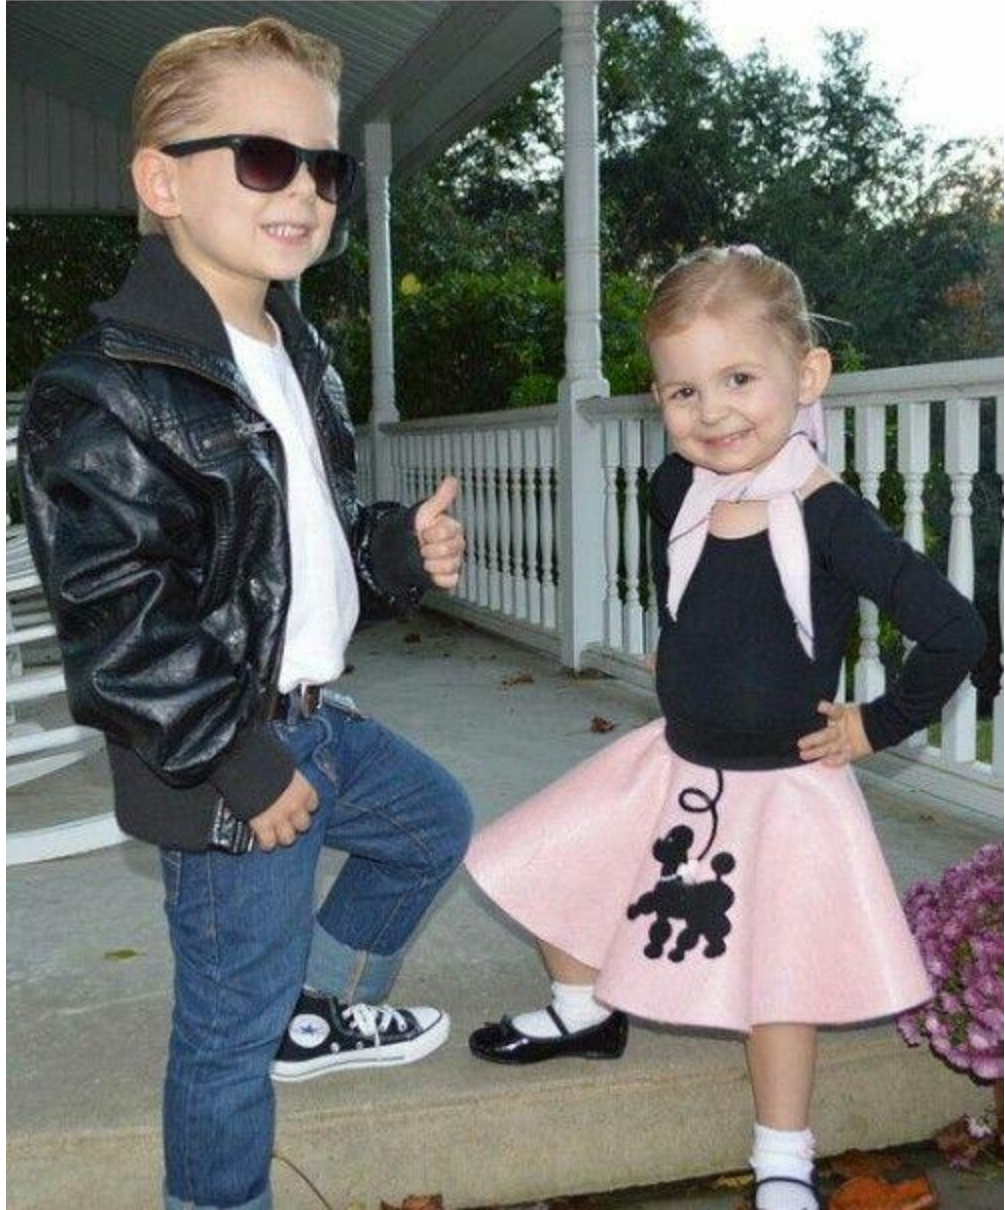

DO WEAR

Casual 50s-inspired looks, such as:

- rolled / cuffed jeans
- poodle type skirts (poodles optional)
- white T-shirts
- colorful cardigan sweaters (Dr. B has several of these to lend!)
- leather jackets
- letterman jackets / sweaters (LHS would be a bonus!)
- scarves (hair or around tied at the neck)
- saddle oxfords
- high-top sneakers
- ankle socks
- ponytails
